WELCOME TO THE CITY OF SCOTTSDALE'S 2004 SUMMER CHILDREN'S PROGRAMS

Dear Parents,

The City of Scottsdale is pleased to welcome your child to our summer programs. The goal of our programs is to provide our participants with supervised, planned and programmed summer recreational activities. Our programs consist of k-kids and 1st–5th grade Total Recreation Enrichment Clubs in addition to the Rise & Shine and Afternoon Adventures extended day programs. The summer programs are designed for youth 4 to 14 years old. Children in the 10am to 4pm Total Recreation Enrichment Clubs will be separated into age appropriate groups, and rotate from activity to activity throughout the day. Participants attend enrichment and activity classes each day with a group leader. These clubs offer opportunities for youth that will contribute to their physical, social and intellectual needs as well as address the developmental needs of the participants. (K-kids will not have rotations, but remain with their age group throughout the day.)

Our programs offer a variety of locations, staff to participant ratio's and age groupings. Each of our programs for children 6 to 14 years old are conducted as Drop-In programs, since we are not licensed day care. The drop-in program philosophy is to allow children to come and go as they wish. There is **not** a sign in or sign out procedure for the participants in the program, children can come and go. The Drop-in program is an ideal opportunity for youth to develop their responsibility and reinforce trust with their parent(s) by planning their own leisure-recreation time. Staff will provide fun and exciting recreational opportunities, but they cannot detain children who wish to leave. The program and supervision begins and ends promptly at the published times.

Please note: It is the parents' responsibility to communicate with their child(ren), regarding the choices their children are allowed to make on their own.

PARK AND PROGRAM BEHAVIOR POLICY

PARK MISSION STATEMENT AND GOAL

The mission of the Scottsdale Park and Recreation Division is to ensure that a positive environment is maintained within all programs and parks, so that all persons can play, recreate, and spend leisure time in a safe environment. Our goal is to provide a positive atmosphere in which self-esteem is maintained and all individuals are treated with dignity and respect.

PARK BEHAVIOR POLICY

The Park and Recreation Division will not tolerate any form of discrimination, abuse, and/or unacceptable behavior.

Unacceptable behavior includes, but is not limited to, the following:

- Any violation of federal or state law, or city ordinance
- Deliberate or reckless disruption of any park activities or programs
- Failure or refusing to obey park ordinance or park rules as directed by city staff or sign
- Threatening or intimidating others through verbal abuse, profanity, obscene gestures, or other means
- Intentionally or recklessly damaging or defacing any park property or equipment, or personal property of others
- Fighting or other aggressive behavior

SANCTIONS FOR VIOLATING PARK BEHAVIOR POLICY

When there are reasonable grounds to believe that there has been a violation of the park behavior policy, park staff will take appropriate action and document the incident. Appropriate action may include requesting compliance of park ordinance or rules, working with parents of disruptive youth, conflict resolution that may involve other city staff, police notification, or formal sanctions. Formal sanctions include, but are not limited to, documented oral reprimands, written reprimands, suspension from a park program or activity, or suspension from a certain park or all parks for a specified period of time.

If any program participant engages in aggressive or threatening behavior, immediate action will be taken. Parents will be informed to pick up their child and participant may be suspended from attending the program until situation is resolved.

PARK AND PROGRAM BEHAVIOR MANAGEMENT PROCEDURES

The Park Behavior Management Procedures are intended as a tool for division staff to accomplish our mission and goals by ensuring that a positive environment is maintained with all programs, parks, and recreation facilities.

- ✓ Communication with parents and participants about our behavior policy is included in this packet and is to be reviewed and signed by both parent and child.
- ✓ Our goal is to first educate all participants during initial contact. Situations will be handled individually, through the predetermined rules and consequences. The emphasis will be on positive reinforcement and appropriate behavior.
- ✓ Situations where a conflict, argument or disruption occurs that jeopardizes the well being and/or safety of an individual or individuals, the following intervention guidelines will be implemented:

1. IDENTIFY THE BEHAVIORAL PROBLEM:

Leaders and instructors will use the resources available to identify behavioral problems. The leaders will then separate the participant from the group, in order to address and discuss the situation. Depending on the incident, Police may be contacted to assist with resolving the situation. *City staff and program participants' safety is a priority at all times.*

2. EDUCATE AND ATTEMPT TO CHANGE BEHAVIOR:

If program, park or facility rules are violated, emphasis will be placed on educating the individual or group by informing all persons involved of the rules, ordinances or laws related to the situation, as well as expectations for changing the behavior. Three attempts (warnings) will be made to change behavior or gain compliance. The fourth infraction will require documentation of the incident and the individual(s) may be asked to leave the program, park or facility.

3. RESOLUTION OF CONFLICT:

All attempts shall have been made to educate the individual(s) and request their compliance. However, interventions may take place when the repeated negative behavior is disruptive and impacts the safety and positive experiences of park, facility and program users. The following action(s) will be taken:

- A. A meeting with the Park Coordinator, a member from the Youth and Family Services Division and/or a representative from the Scottsdale Police Department will be scheduled with the individual(s) and/or parent/guardian to develop an action plan for compliance.
- B. A behavioral contract may be used to identify the violations or behavioral problems, as well as the required changes in the individual(s) behaviors.
- C. Temporary park, facility or program suspension may be utilized until a meeting can be scheduled and/or action plan can be developed.

4. SUSPENSION

If the resolution actions fail to resolve inappropriate behavior or compliance with park rules, laws or ordinances, suspension from park or program sites may be utilized.

5. RE-INSTATEMENT

Once the term of suspension has been served, the individual(s) will be eligible for re-instatement to the park, facility and/or program. Re-instatement will consist of the following:

- A. The individual(s) file will be reviewed by the park/program Coordinator, a representative from the Scottsdale Police Department, and/or a member from the Youth and Family Services Division
- B. A behavioral contract may be used to identify the violations or behavioral problems, as well as the required changes in the individual(s) behaviors.
- C. Park and Recreation Manager and/or the Police Sergeant will be notified of situation to ensure consistent application of policy.
- D. Re-instatement will be copied to the Police Sergeant for record management if applicable

EXPECTED PARTICIPANT BEHAVIOR

MIGHTY MUD PERMISSION SLIP INFORMATION

Friday, July 23rd, 2004 from 8:30am to 2 p.m., **Mighty Mud Mania** will be held at Chaparral Park, 5401 N. Hayden Road. This is a **free** event for children aged 1 to 13 years (unless your child wants to use the pool; pool admission fee is \$1.) It includes “**The Original Mud Obstacle Course**,” a wacky footrace for 7 to 13 year olds; with obstacles with mud pits as deep as 4 feet, to run, jump and crawl through; such as a ramp to climb up and over, and a tube dive that children dive through, into a pit of mud. Children could be completely immersed in mud. The “**Mini Mud Course**” for children 6 years old and younger and special “**Mud Puddle Pool**” area for tiny tots are also part of the event. Giant water slides and sand castle building are also featured. Children will get muddy in most activities. Park conditions will also be wet and slippery, which can result in falls and physical injury.

Children will compete against each other in “**The Original Mud Obstacle Course**” in these age groups; 7&8 years, 9&10 years and 11-13 years. Ribbons will be awarded to the finishers in each heat.

Registration, (being assigned a colored armband to denote your age group, and lining up in the “start” line) will be at Chaparral Park 8:30 am – 1:30 p.m. for all ages. The children in each age group, will alternate running through the course with the first race beginning at 8:30am. Children can line up **ANY** time during that period to run the **Original Mud Obstacle Course**. Children participating in the event must be present to register. Children under 6 years must have a permission slip to participate in the **Mini-Mud Course & Mud Puddle pools**, which emphasize participation, rather than competition. **Shoes and SHIRTS must be worn to participate.** We suggest that your child wear old grubby clothing and old laced up shoes to compete in Mighty Mud Mania since there will be mud pits involved in the races. Please send lunch money with your child; food, soda and snacks will be sold during the event by several vendors, and the snackbar at Chaparral Pool will be open. Swimming is available from 11am – 3 p.m. at Chaparral Pool for a \$1 entry fee, so send a swimsuit, towel and sunscreen with your child. **CHILDREN MUST WEAR SWIMSUITS** in the pool. Many children are anticipated to attend this event, so please plan to be patient as you may have to wait in line for the mud courses. Your child needs your permission to participate in Mighty Mud Mania activities. **Please sign and return the attached permission slip to the area where your child received it, or have them bring it with them to MIGHTY MUD MANIA.** For More Information Please Call (480)312-2771 or (480)312-2704
